WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

A frontal system will approach Northwest California Wednesday. The front will increase southerly winds and rain Wednesday and Thursday and rain chances will continue through the end of the week.

San Francisco Weather:

Dry weather conditions and seasonable temperatures will persist through today with precipitation possibly returning to the North Bay on Thursday. Rain chances will then increase and spread southward Friday night into Saturday as an upper level system moves across Northern California.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

Dry today under weak high pressure with a weak weather system bringing precipitation chances north of Interstate 80 Thursday. A few lingering showers possible Friday with another system bringing precipitation chances Saturday. More chances of precipitation are expected for Northern California during the middle of next week. Daytime temperatures below normal through the coming week.

Hanford Weather:

Weak high pressure aloft is producing mostly clear skies and a slight warming trend. Another system will bring increased clouds along with a cooling trend by the weekend.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

High pressure aloft will build Southern California with weak offshore flow expect through Friday. This will start a modest warming trend beginning today and lasting through Friday. An upper level trough then slides through the weekend with cooler temperatures expected and possibly some light precipitation north of Point Conception on Saturday.

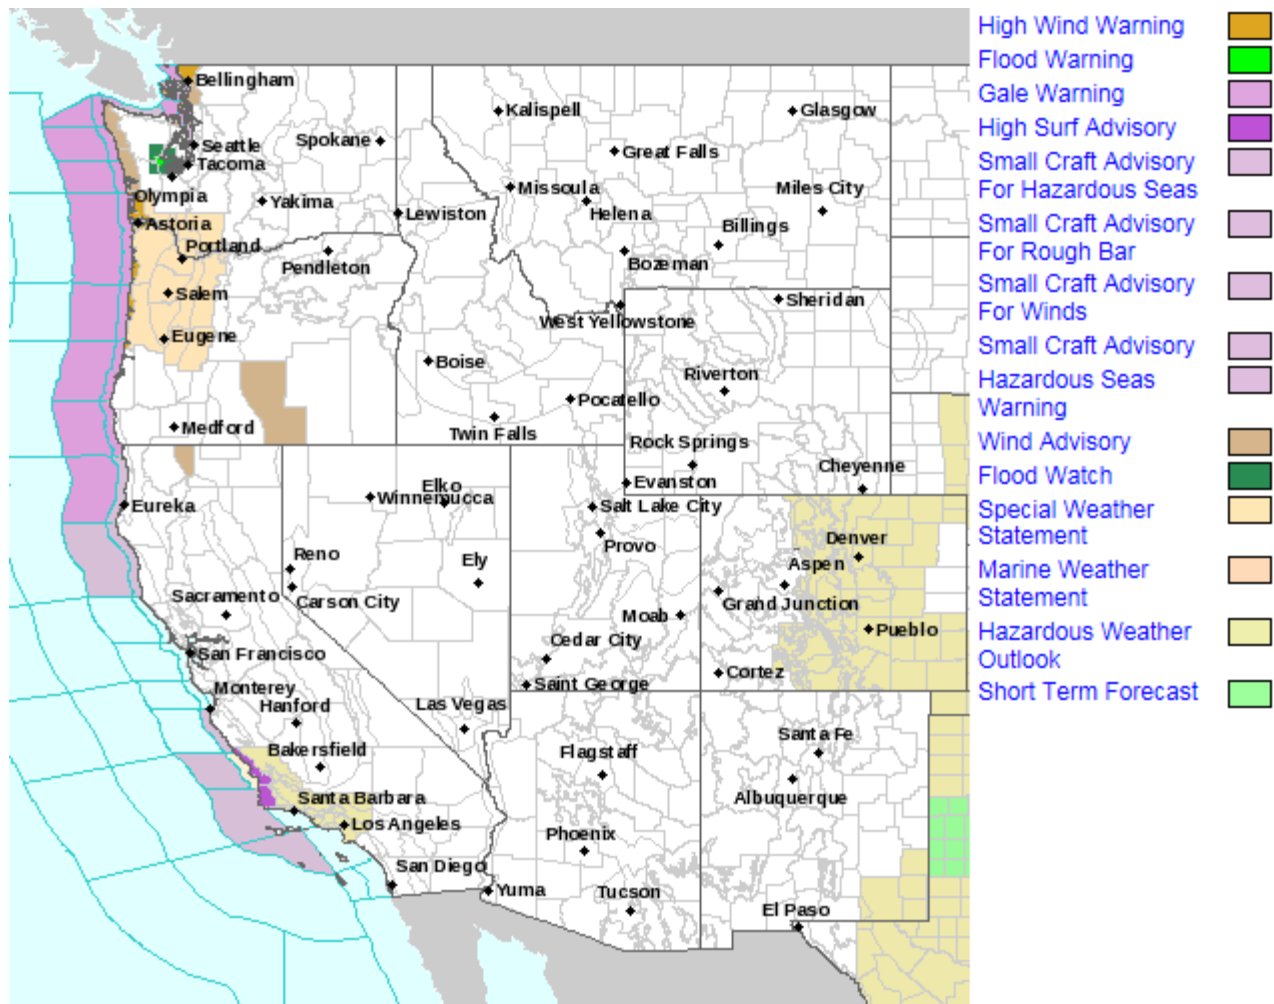

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

A trough of low pressure moving inland through the west today will maintain higher humidities with seasonal temperatures near the coast and slightly above average temperatures for inland areas. For Wednesday through Friday, high pressure to the south will expand northward bringing lower humidities for inland areas, a shallower marine layer, and warming with high temperatures 5 to 10 degrees above average. A trough of low pressure moving inland along the West Coast Saturday night and Sunday will bring cooling and a deeper marine layer with higher humidities followed by warming early next week.

Southeast California Weather:

A gradual warming trend is expected to continue through the remainder of this week as strong high pressure strengthens. A cooling trend is expected to take place from Sunday onward into early next week as low pressure moves inland into the Great Basin with temperatures falling back to near seasonal normals.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15. In addition, a Disaster Loan Outreach Center opened Wednesday, 10/01/14, at 1200 hours, located at the College of the Siskiyou's Life Science Building 3, Room LS-1, 800 College Avenue, Weed, California 96094, Mondays – Fridays, 0900 – 1800 hours.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program.
- Non-food items have transitioned from the Salvation Army to a collaboration of four non-profit agencies involved in the distribution of items such as baby clothes, diapers, clothing, etc.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL will continue to provide guidance to the LTRG group.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- Due to the high levels of asbestos found in the destroyed library, the Siskiyou County Health Officer, US/EPA, and CalRecycle recommend the temporary relocation of families living in the undamaged homes directly adjacent to the library. However, the City is temporarily sheltering (less than 30 days) one family displaced by the debris removal activities at the library location.
- US EPA completed removal of asbestos from the library.
- The Applicants Briefings for the Boles Fire FMAG and the CDAA 2014-4 Siskiyou County Wildfires is today 10/22/14, beginning at 0900 hours at the College of the Siskiyous, 800 College Avenue, Building 3 Room 3 in Weed.

- Four (4) Cal OES Recovery staff are assigned.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

Recovery Activities

- Based on a request for additional IA information for the major disaster declaration request, IA teams conducted PDAs 09/08/14 through 09/12/14 in Napa County, the City of Vallejo, and Solano County IA PDA teams conducted additional PDAs 09/17/14 through 09/19/14 finalizing PDAs in Napa County. The Presidential Declaration request letter along with supplement information was forwarded to FEMA for consideration.
- The deadline for Cal OES to submit the Request for Public Assistance of potential applicants to be considered for reimbursement for this event is this Friday, 10/24/14. To date, fifty-seven (57) RPAs have been received. Twenty-four (24) Kickoff Meetings have been completed and eight (8) additional Kickoff Meetings are scheduled.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. Due to the absence of local faith based and other organizations that may have resources, Solano VOAD will reach out to expand the engagement of additional nonprofit and faith based partners. Once the organizations are identified, a follow up meeting will be held in hopes of identifying key leaders interested in forming an LTR committee.
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). The LAC is open until further notice.
